Chain	30	575	450	8,0	Wand	30	575	450	8,0	white	anodized	black

ℹ️ Price in the table includes vertical blind with round rail in white colour, without fabric/slats PVC, with with clip type brackets and runners, controlled by cord, tilting by chain.
PVC slats are delivered without chain. Bottom metal chain is available on order with surcharge.

❗ **Slight differences between shades and fabric's patterns and blind components are permitted.**
To prevent blind mechanism's failure, slats should be rotated only to perceptible resistance.

⚠️ Armed rail consists of: slat hanger, slat weight, bottom chain.

Rail dimensions

round rail

Runners

type H - replaceable hook

Brackets

clip bracket (standard)

clip bracket for suspended ceiling

Wand

It is possible to control and also to tilt slats using the same wand. Option offered without surcharge, only with straight rail, in white colour only.
Adjustable extension

80/120

91 - 131
80 - 120
42
106 - 146

95/155

108 - 168
95 - 155
75
134 - 194

Cord weight

Adjustable slat height

It is possible to manually adjust the height of each slat.
The fabric is slidden into special slat hanger and fixed with the rod, surplus may be cut.
Slat hanger available in white colour only.
Option offered with surcharge.

How to calculate the weight of package?

⚠️ To estimate whether a given configuration will not exceed the maximum load for a choosed control, sum the weight of the fabric and the slat weights.

Surface [m2] * Fabric weight [kg / m2] * 1.15	
127 mm ➕	**89 mm**
Number of slats * 0,040 kg	Number of slats * 0,032 kg
